

North Korea

Background Information:

Form of government: Single party state

Ethnic make up: Korean (99.998%), Other (0.002%)

Religious Membership: Predominately Cheondoism

UN Membership: No

Current Political Environment/Internal Conflict: North Korea is harboring numerous nuclear weapons and is threatening to use them. The use of nuclear weapons may lead to a new world war with more dangerous weapons. Also, the country is withering away due to poverty and mistreatment of the citizens.

Global or Regional Concern:

North Korea is a dangerous force to be reckoned with, and it is very important that the other countries keep North Korea in check, or a huge conflict, possibly another world war, may take place.

Yemen

Background Information:

Form of Government: Provisional Government

Ethnic Make up: Predominately Arab

Religious Make up: 53% Sunni, 45% Shia

UN Membership: Yes

Current Political Environment/Internal Conflict: Yemen faces several inter-locking conflicts and dwindling natural resources. Central government authority has weakened markedly and has been challenged by the al-Houthi Movement in the north, secessionist movements in the South and a wide-range of militant non-state actors.

Global or Regional Concern: Conflict in Yemen has made it the poorest country in the Arab world. The chaos in the country has made everyday life increasingly challenging for ordinary Yemenis.
